THE WONDERFUL WORLD

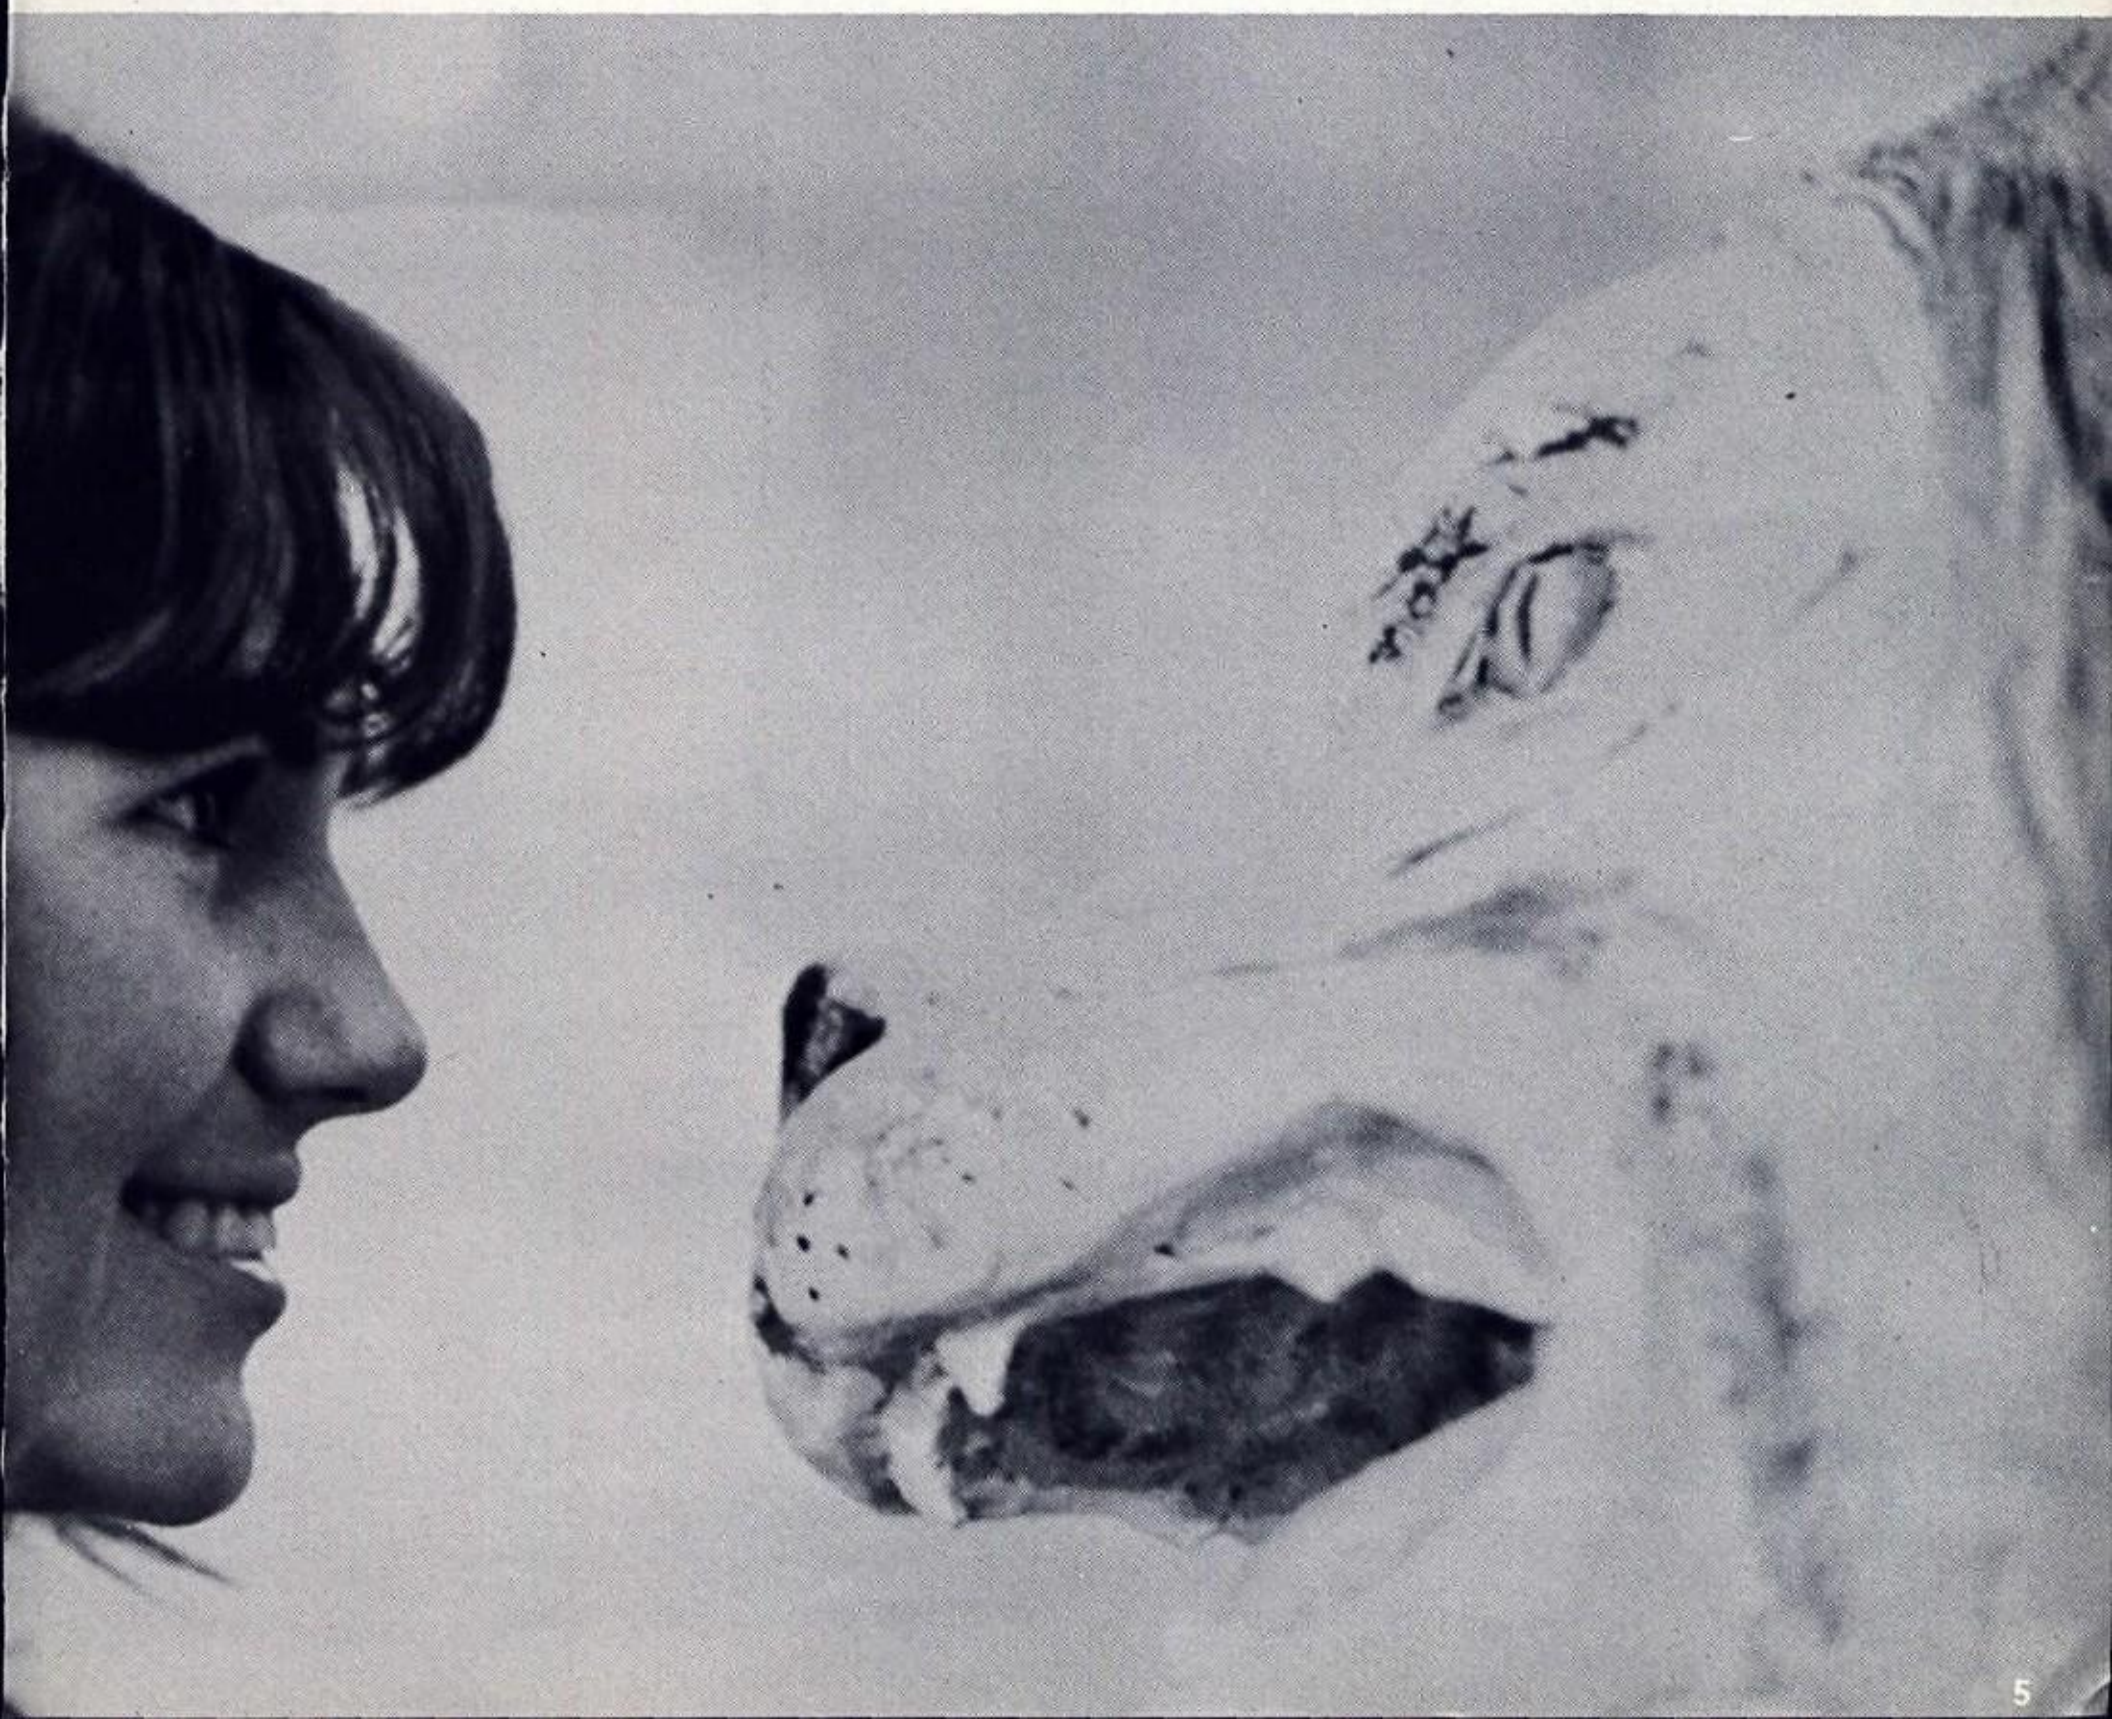

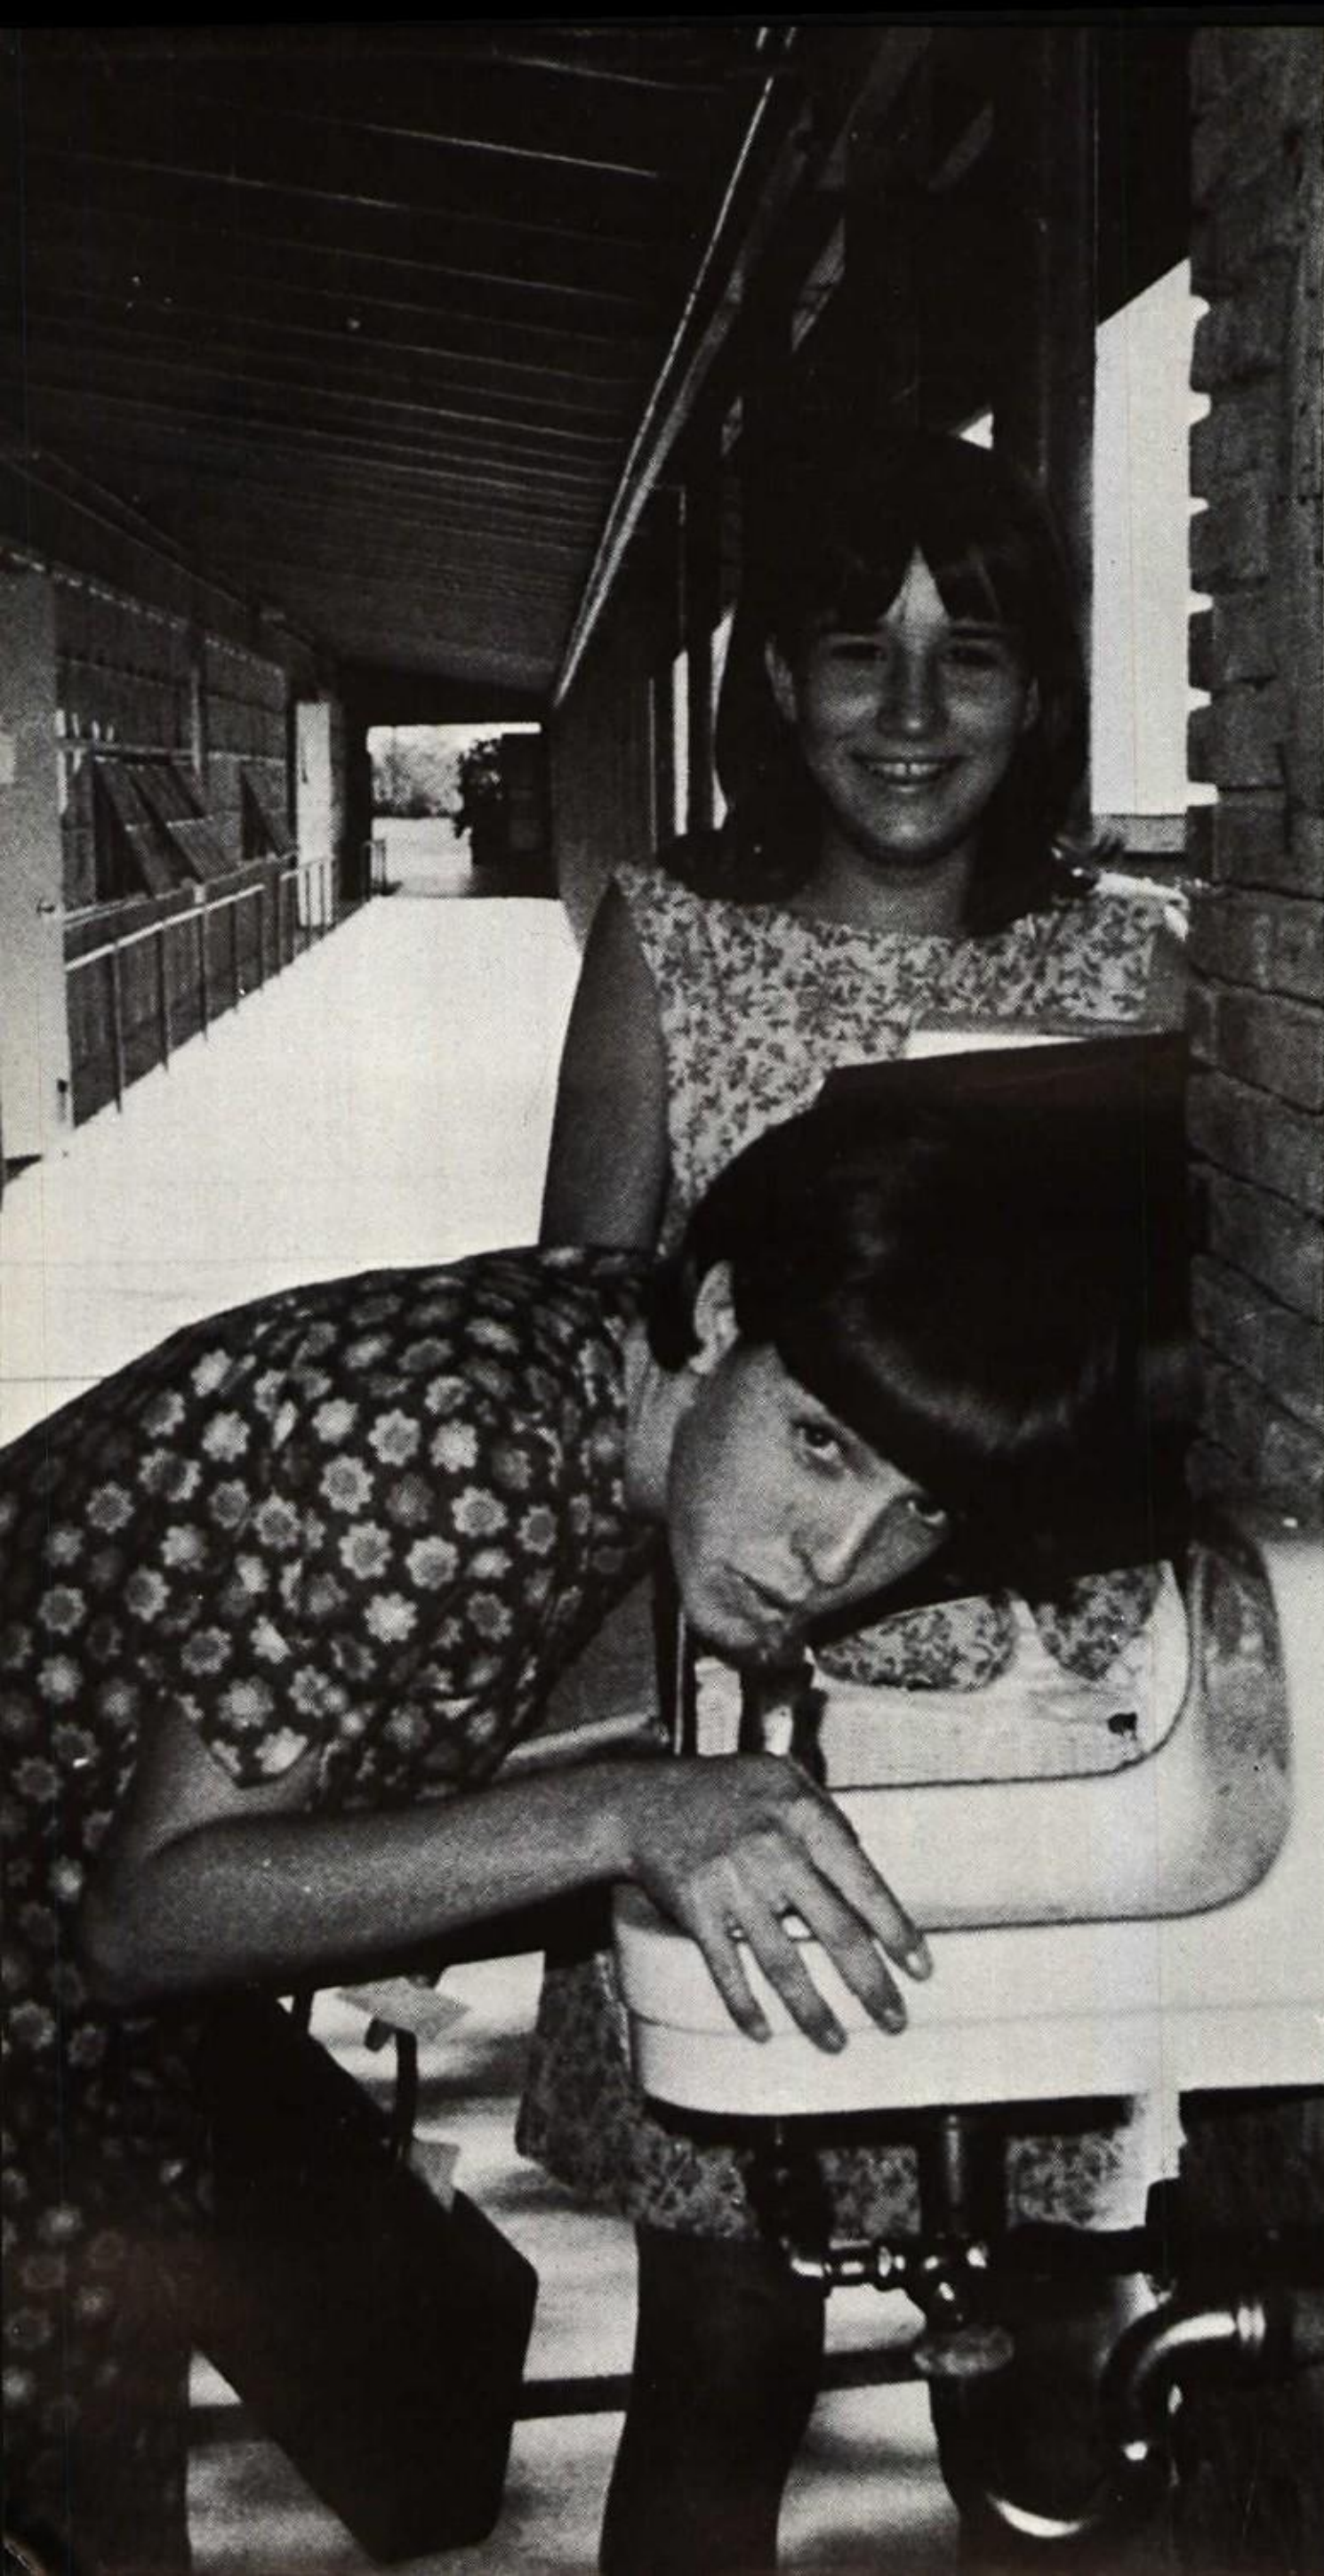

OF RAYMONDVILLE HIGH

Happiness is found in simple things – a sparkling laugh, a helpful hand, and young anticipation

What makes our world go round?

Hands!!

In action they create comedy
and laughter, express excitement
and appreciation, quench thirst,
and of course, push pencils.

Dedication

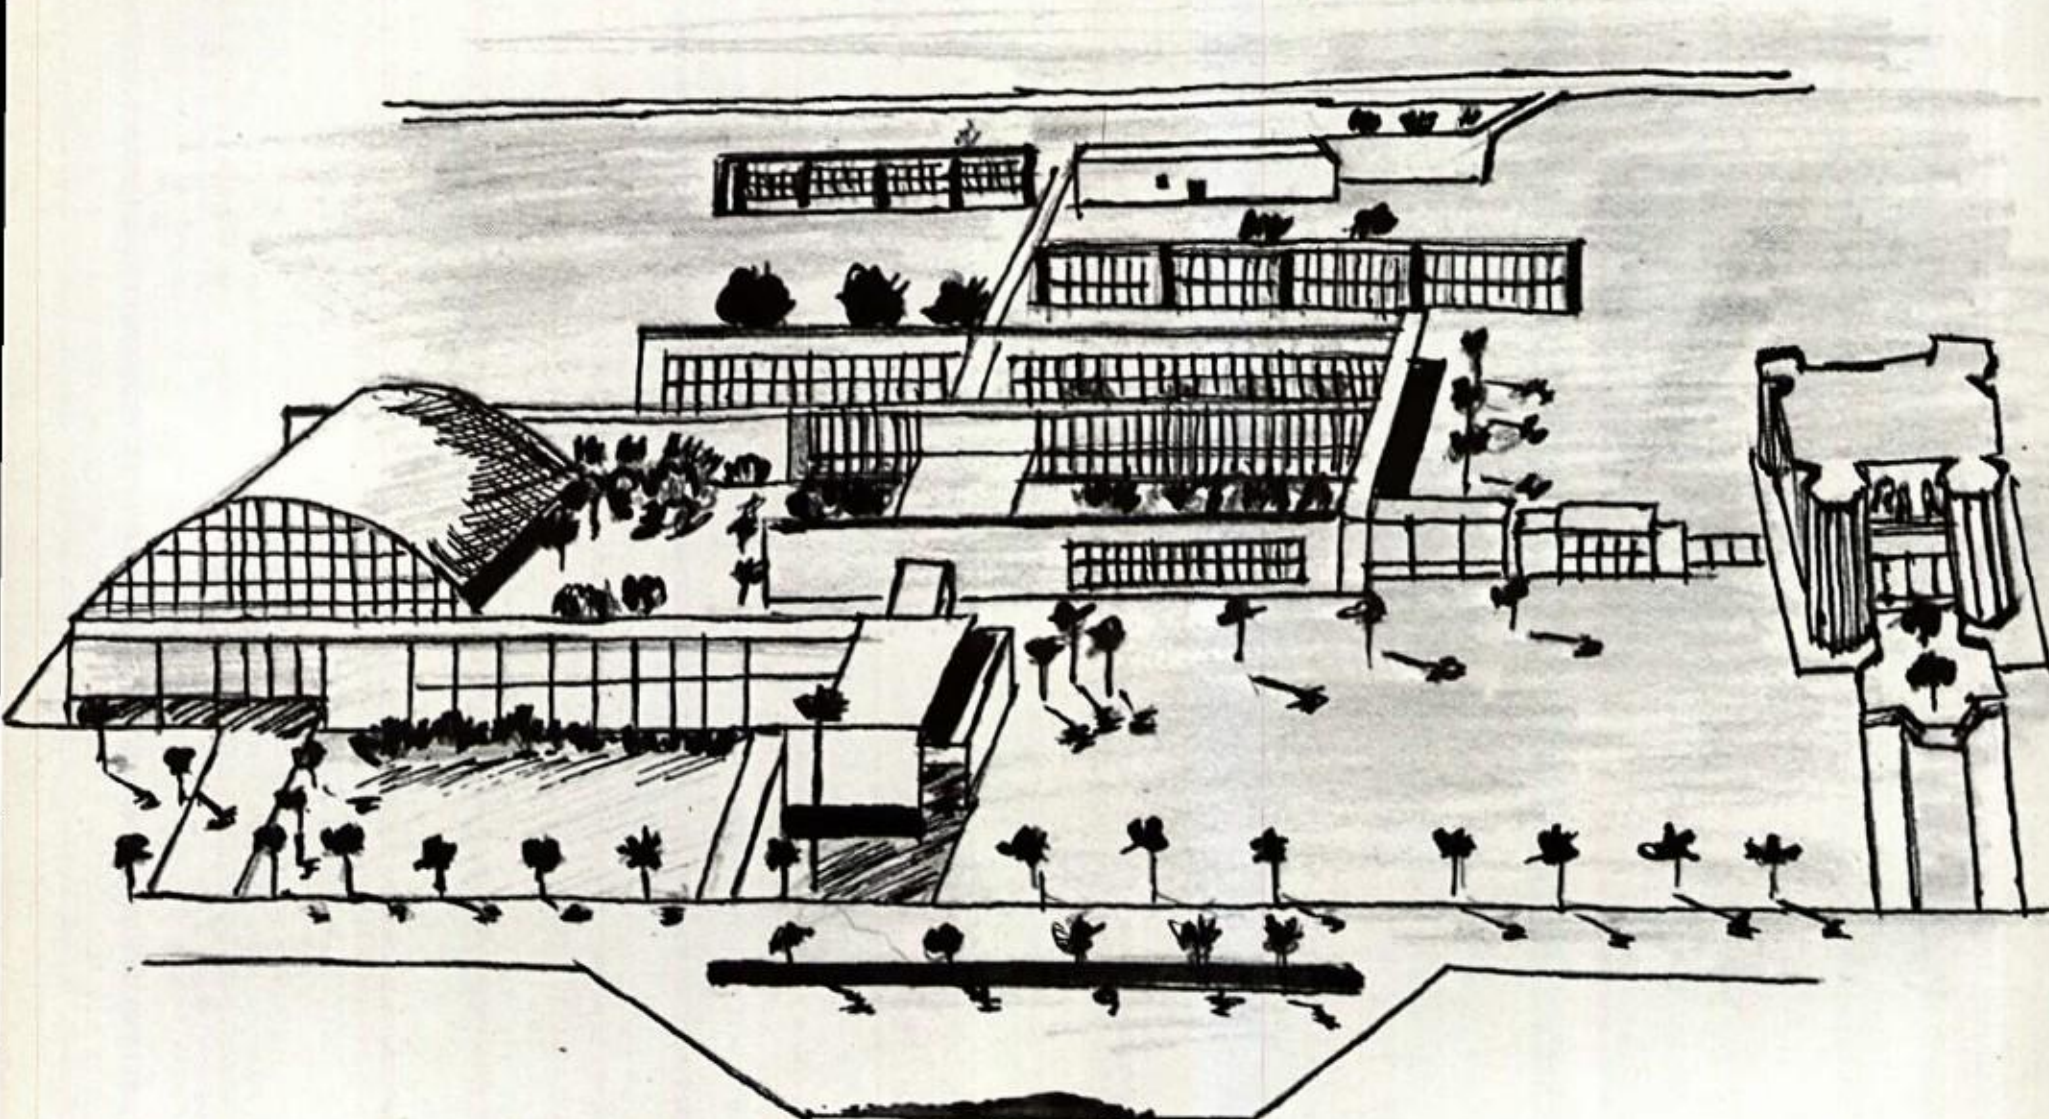

Because this is your world, this 1968
Barkat is dedicated to you ...

The Student Body

R.H.S. friendship is a chain of gold
Shaped in God's all perfect mold.
Each link a smile, a laugh, a tear,
A grip of the hand, a word of cheer;
Steadfast as the ages roll-
Binding closer soul to soul.
No matter how far or heavy the load,
The R.H.S. World has been a great road.

The annual staff of 1968 would like to thank Mrs. Garcia for the thorough job she has done in supervising. Without her outstanding personality the job of putting the annual together would not have been as much fun.

Living demands an involvement with which we mix individual vitality, enthusiasm, and initiative into a happiness which fills the lives of us all.

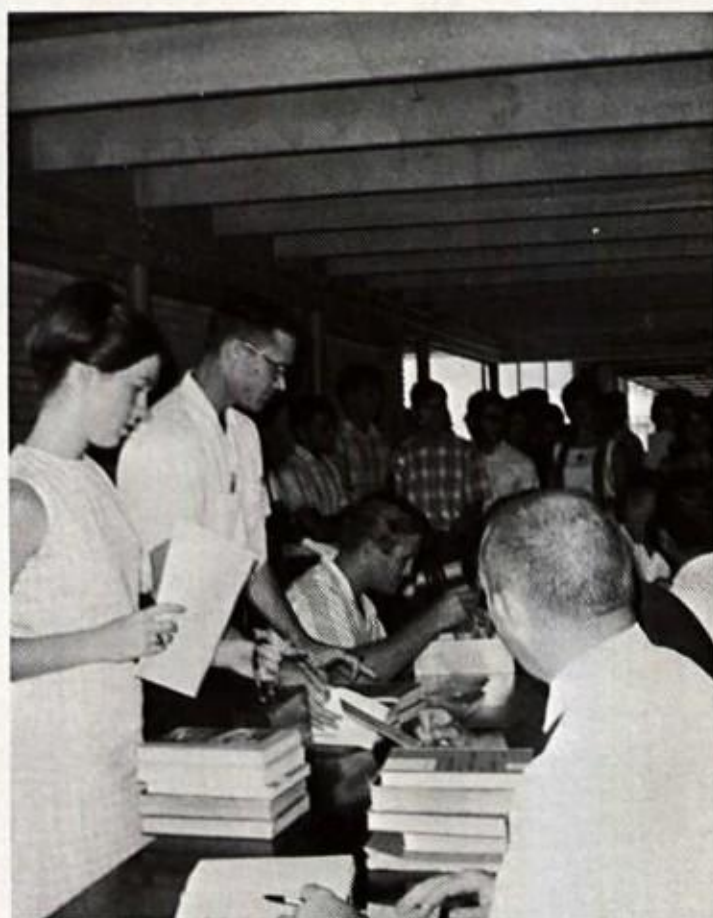

In these few pictures, a moment of the past is captured. Try to find your friends and yourself among these pictures, for you make the world of R.H.S. go around and around.

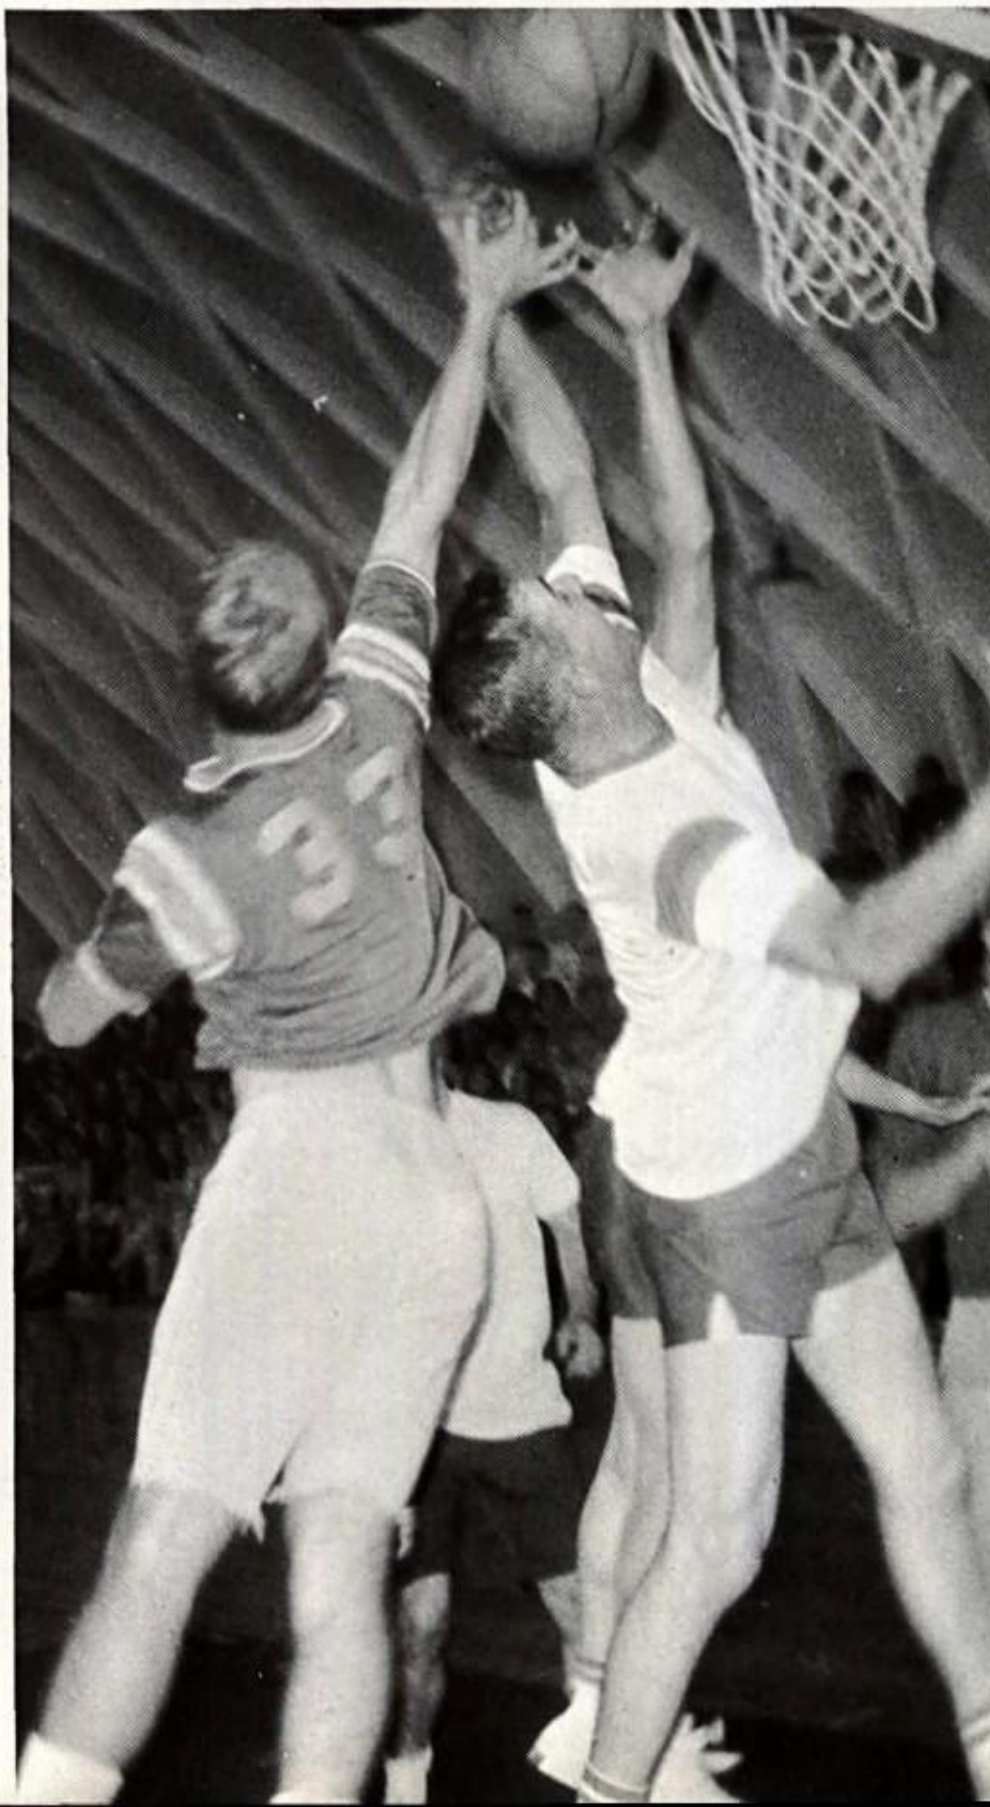

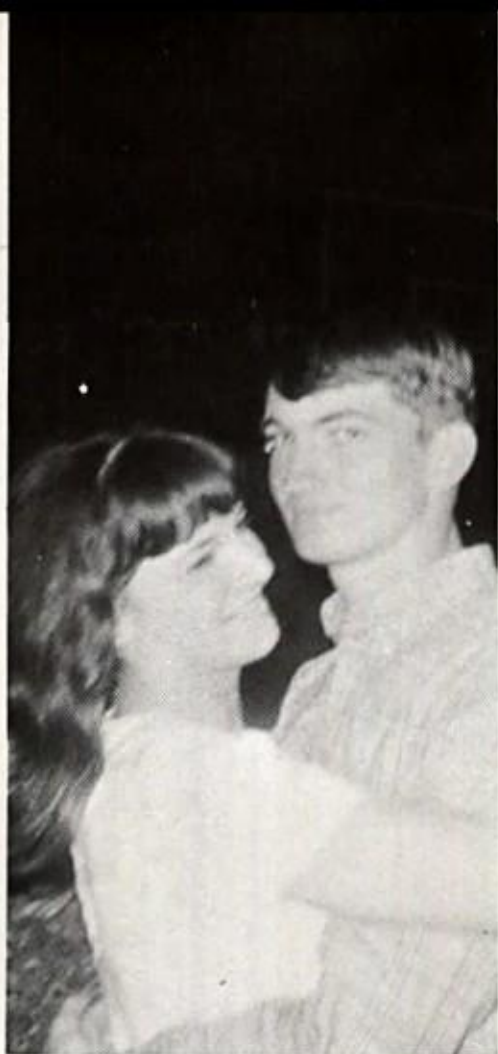

Jane Dickerson holds back tears of joy when chosen Key Club Sweetheart.

Jan Gilliland, Football Sweetheart and Beverly Knox, Band Sweetheart, express their happiness with a beaming smile.

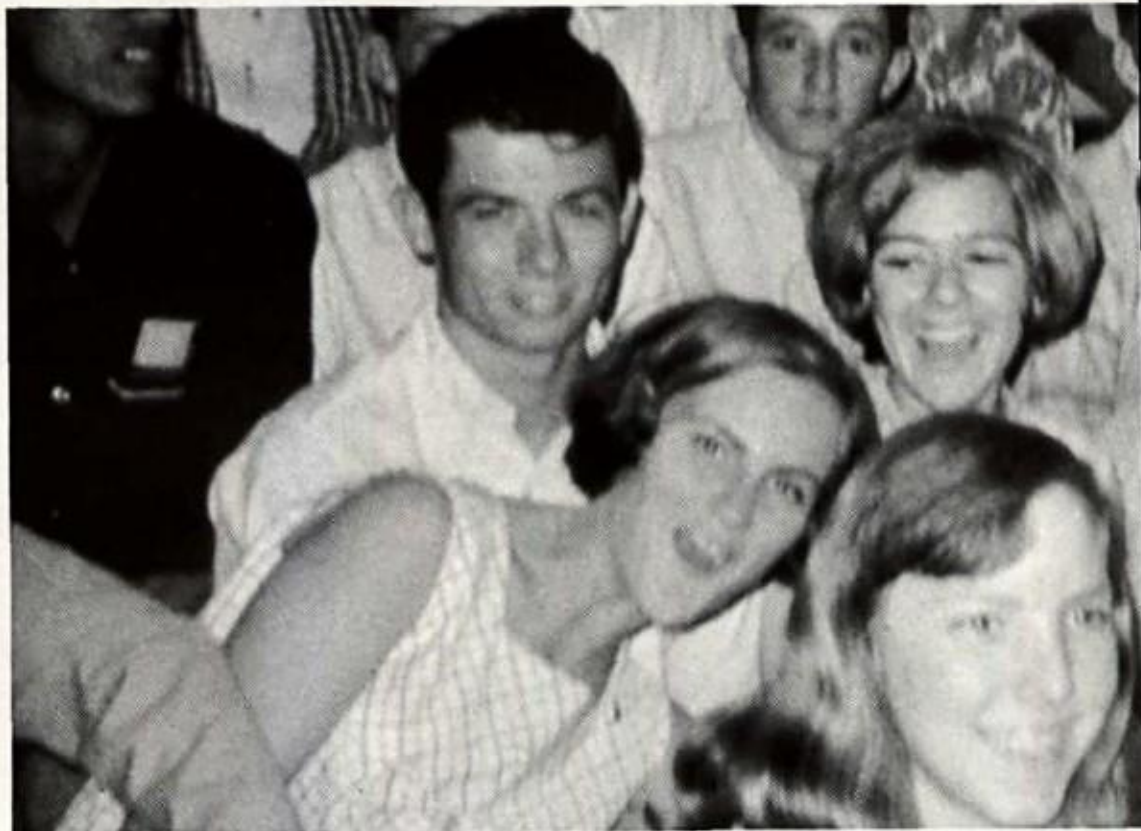

Duchesses, Jane Dickerson and Marsha Pickard, pay tribute to Homecoming Queen of '68, Jo Ann Neese, who reigns with dignity.

GOLDEN JERSEY DAIRY PRODUCTS

Edinburg, Texas

As you walk slowly across the stage; are handed your diploma; and move your tassel from one side of your cap to the other, a very wonderful phase of your life ends in a flourish of excitement and gaiety.

No matter how happy you are to be ending your high school years, each time you think back on them, you will be overwhelmed by the fond memories which come rushing back.

For some of you, graduation means the beginning of your adult life. You will be on your own; make a living for yourself; start your own family. For others, graduation is merely a stepping-stone to further education.

Whichever path you have chosen, approach it with all your might; accomplish to the best of your abilities; and walk in the sight of God.
